

How to add your flight in the Swiss app

Step 1

Choose continue

The new SWISS App

- ✓ All your flights in one place
- ✓ The most important information at a glance when you need it
- ✓ Check-in, boarding pass, information and upgrades at a tap
- ✓ Instant benefits for every trip

Step 2

Choose agree

Privacy settings

We use cookies and similar technologies that are necessary to run the app and the website. Additional cookies are only used with your consent. We use them to access, analyse and store information such as the characteristics of your device as well as certain personal data (IP addresses, navigation usage, geolocation data or unique identifiers). The processing of your data serves various purposes: Analytics cookies allow us to analyse our performance to offer you a better online experience and evaluate the efficiency of our campaigns. Personalisation cookies give you access to a customised experience of our website with usage-based offers and support. Finally, Advertising cookies are placed by third-party companies processing your data to create audiences lists to deliver targeted ads on social media and the internet. You may freely give, refuse or withdraw your consent at any time using the link provided at the bottom of each page. You can consent to our use of cookies by clicking on Agree. For more information on which data is collected and how it is shared with our partners please read our privacy and cookie policy:
