

Land & Lagoon adventure

Discover Corsica's hidden gems on an unforgettable journey combining speedboat thrills, off-road adventure, and stunning beaches!

Your adventure begins in the charming harbor of St Florent, where we board a speedboat for an exhilarating ride across crystal-clear waters to the legendary Plage de Saleccia. Accessible only by boat or off-road vehicle, this pristine white-sand beach is one of Corsica's most secluded and beautiful. Enjoy free time to swim, sunbathe, or simply relax in the untouched surroundings.

After soaking up the sun, we continue in 4x4 vehicles on an exciting off-road journey through the wild landscapes of the Désert des Agriates. The route follows rugged trails and scenic viewpoints, ending at the tranquil Plage du Lotu – another hidden beach gem.

At Lotu, you can take a final swim or relax before we board a larger boat for a leisurely cruise back to St Florent, enjoying stunning coastal views and reflecting on a day of discovery and adventure in Corsica.
